Medicines Training You Can Trust

Check out our BRAND NEW logo from Skills For Care!! Hooray for us being an endorsed provider for another year!

## April 2023

Out with the old, and in with the new! Welcome to AIT Medihelp's latest newsletter - you spoke and we listened! From now on we are bringing you more news from the care world, our world and even more behind the scenes action including our upcoming events and adventures!

This month we are over the moon to be able to sport our new shiny Skills For Care logo! Massive shout out to all of our team for their hard work in achieving this for the 7th year in a row!!!

We are also super excited to be attending the health care show in London's Excel Arena again this month. Make sure to follow our socials, as we take you along with us!

**As always, we are always one email, phone call or message away. So get in contact today to see where, how and when we can AIT Medihelp you!**

Did you know our accredited medication training is available on our easy access E-Learning platform! Still pharmacist written, still accredited, and still comes with a certificate! We've also been nominated for a CPD award for best online course of the year! Check out details below for more information.

## This month...

We are delighted to have been nominated for the CPD awards 2023 for **online course of the year!**

### What is CPD?

Continuing Professional Development is a commitment to ongoing lifelong learning. CPD encourages looking forward and identifying opportunities to learn something new, refresh existing knowledge, improve skills, or simply keep up-to-date with the latest developments within a particular profession or industry.

## Easter Fun!

Here's a bit of chocolate knowledge for you this Easter!

### Did you know....?

At the end of the 18th century, cocoa was officially declared a medicine and was sold exclusively in pharmacies!
