Medicines Training You Can Trust

December 2023

The final edition of the year! As we reflect on a year filled with successful deliveries of accredited courses across the entire UK, we're delighted to announce that while our schedule is full for the remainder of 2023, we're now accepting bookings for 2024, and spaces are filling up rapidly!

Don't miss out on our E-Learning courses, available at your fingertips and ready for immediate access. As the year comes to a close, we extend warm wishes for a joyful Christmas and a prosperous New Year to all of you. Thank you for being a part of our journey in 2023; we look forward to welcoming you back in 2024 for another year of learning and growth!

As always, we are always one email, phone call or message away. So get in contact today to see how, where and when we can AIT Medihelp you!

Santa Fun Run

Martin and Elle are lacing up their running shoes again this year for the Santa Fun Run 5km, all in support of Hope House Essex. In the spirit of giving, we're aiming to match last year's impressive fundraising total of £150.

Your generosity makes a difference, and every contribution is greatly appreciated. If a donation isn't possible, sharing our fundraising page on your socials would be equally incredible in spreading awareness.

Thank you for being a part of our mission to make a positive impact this holiday season!

A big congratulations to our giveaway winner who has won 10 E-Learning licenses!

Check our socials to see the winner and make sure to follow us for our next competition!
